December 2021—January 2022—February 2022

Update from Preserve and Protect

The members of Camp Springs Preserve and Protect wish to extend our greetings and make a few announcements. As a follow up to our announcement in June, we want to report back that our Constitution Boot Camp as well as our Back-up Generator Seminar were both great successes. Although we would love to see more community attendance, those who attended consistently praised each event. As a result, we would love to have you join us during our next open house to be held at Camp Springs Winery on Saturday, January 15, 2022, from 1 p.m. to 4 p.m. In the event of inclement weather we will hold the event the next Saturday, January 22, 2022. Any news or updates will be communicated via our Facebook page. The objective of this January event is to provide an opportunity for you to learn more about different ways we can be equipped to help our families, friends, and neighbors during times of emergency. Joining us will be William Turner of Campbell County Emergency Management who will share information about CCEM's role in supporting our local police and fire departments during times of disaster. He will also share with us ways we can be equipped for various types of disasters and help support the professionals in their roles. We will have light snacks, refreshments, and, of course, wine. Please let us know if you plan on attending by emailing us at preserveprotectcampsprings@gmail.com. You can receive news and updates from us by following us on our Facebook page @preserveprotectcampspring.

Frankies Furry Friends

Frankies Furry Friends is a small breed dog rescue made up of hard-working volunteers and fosters. Volunteers play a crucial role as we have no facility and rely on our volunteers to foster the dogs waiting for adoption. If you would like to help your local rescue, there are many ways to do this without giving up much time. We would love help setting up events, socializing dogs, fostering dogs, checking references, dog walking, or sponsoring the dogs up for adoption. You could also donate items such as beds, blankets, treats, food, toys, leashes or money to help pay for vet bills. See Page 2 for contact information.
